

A Heartwork Retreat

RELATIONSHIP AS A VEHICLE
FOR PERSONAL / SPIRITUAL GROWTH

OCT 31- NOV 5, 2019

LIGHT ON THE HILL, VAN ETEN, NY

THURS., OCT 31 (7:00 PM) - TUES., NOV. 5TH (1:00 PM)

A loving relationship is our greatest opportunity to experience Heaven on Earth! In this retreat, we will learn how to use the Heartwork Relationship Transformers (see awakentheheart.org/relationships-2) to move through the barriers to sharing deep intimacy with another. I make this guarantee to couples I work with that, if you love each other, and are both willing to do your inner work in and through your relationship, these tools can get you through absolutely anything! To get an idea of my perspective on relationships, please read my pieces on the website: (see awakentheheart.org/relationships-2). The Relationship Retreat can be attended alone or with a friend, relative, or significant other.

Heartwork is taught by Dale Goldstein, MSW, Director of the Heartwork Institute in Rochester, NY. Dale has been actively exploring, since 1966, the uses of meditation, inquiry and other spiritual tools to open the heart/mind - primarily through Zen practice, work with Toni Packer, and, since 2000, his study of the Diamond Approach. He believes that relationships create the ideal crucible in which our unresolved personal issues are exposed and can be worked through.

Dale is the author of the award-winning book, *Heartwork: How To Get What You Really, REALLY Want*, available at www.awakentheheart.org.

"Heartwork is the most magical, beautiful gift you could give yourself. The walls you thought would never crumble come tumbling down before your eyes. This is true freedom, true love.

I know I have just begun a beautiful journey with my partner.

The exercises we did were intense but I would not have changed one thing. I found honesty and love." ~ Brian Stovall

"This was a life changing experience that every human being should experience at least once in your life. But I guarantee it will not be once." ~ Brandy Helms

"I was expecting to gather some tools to use in my relationships. I gained those and a lot more. I learned to hear what my partner was saying, to realize that I can't fix anyone." ~ Susan S

"I liked the fact that we had so many opportunities to release, let go, clear with our partners by connecting and being there for each other." ~ Juana
